

# FAUCET CHOICES

	chrome	brushed nickel* Ⓢ	oil rubbed bronze Ⓢ
bath sinks	 <p>Chateau L4621</p>	 <p>Brantford 6600</p>	 <p>Eva 6400</p>
tubs / showers	 <p>Chateau</p>	 <p>Brantford</p>	 <p>Eva</p>
kitchens	 <p>Camerist 7825</p>	 <p>Camerist 7825</p>	 <p>Camerist 7825</p>

We use only top-quality<sup>1</sup> Moen faucets. Chrome faucets of the Chateau line are standard. Upgrades to nickel\* or bronze faucets are available for an additional cost. Your kitchen faucet can be further upgraded to include a pull-down sprayer.

\*Spot-resistant Stainless kitchen faucets are used with the Brushed Nickel line.

<sup>1</sup>Note: Not all Moen faucets are created equal. Beware of box store faucets which have lower quality internals.

Ⓢ = upgrade

kitchen faucets with pull-down sprayers Ⓢ
